

Great Expectations

forfatter : Charles Dickens

Download gratis bøger Great Expectations (PDF - ePub - Mobi) Ved Charles Dickens

Great Expectations is Charles Dickens's beloved, autobiographical tale of a poor boy haunted by a dark secret and harboring grand hopes for his future as a gentleman. Pip, the story's narrator, takes us through his early life—from his brush with an escaped convict on the marshes of southeast England to his exposure to genteel society through the warped old Miss Havisham and her icy protégé, the alluring young Estella. Apprenticed to the blacksmith, the tender-hearted Joe, Pip's fortunes change dramatically thanks to a mysterious benefactor, and he must figure out what is real and what is false as he navigates his new world, while never quite escaping his old. Considered by many to be Dickens's greatest work, *Great Expectations* will transport you, move you, and stay with you forever.

Beautifully yet simply formatted, carefully edited, and featuring more than 30 illustrations from the artists who realized the first serialized chapters and many of the early book editions of *Great Expectations*, this is the definitive digital version of the Dickens classic.

Includes a short biography of Charles Dickens and an addendum of his originally conceived ending....

[PDF | ePub | MOBI] **Eventyr forfatter Hans Christian Andersen**

Udvalget af eventyr indeholder både eventyr og historier. "Historier" betegner i H.C. Andersens forfatterskab en bevægelse mod en større æstetisk bredde, flere eksperimenter og, i nogle tilfælde, mere vægt på realisme – alt i alt mindre for børn og mere for voksne.

[PDF | ePub | MOBI] **The Old Man and the Sea** forfatter Ernest Hemingway

Here, for a change, is a fish tale that actually does honor to the author. The Old Man & the Sea revived Hemingway's career, which was foundering under the weight of such postwar stinkers as Across the River & into the Trees . It also led directly to his receipt of the 1954 Nobel Prize--an award he gladly accepted, despite his earlier observation...
