My father owes a debt.

I am his currency.

I'm supposed to marry the recently crowned mafia king of the Foley family as repayment for my father's transgressions. I don't understand why the Foleys would want me, but I've grown up in a crime family, and I know the ugly consequences of not doing what you're told.

But as the wedding date approaches, the deal changes, and I'm about to be wed to a man I know nothing about. In fact, I don't even know his last name.

Instead of becoming a mafia princess, I'm marrying the henchman.

Deklan.

After one look at him, I'm not sure I'll survive the wedding night....
